

## **Vision Statement**

Based on the principles of excellence, equity and access, the Calgary Board of Education commits to the vision that every student will have the opportunity to become bilingual in Canada's two official languages.

The Calgary Board of Education provides the opportunity for every student to become bilingual in an inspiring environment that promotes cultural and linguistic excellence.

French Immersion is a regular program offered by the Calgary Board of Education.

Students in French Immersion programs attain proficiency that enables them to live, work, and pursue post-secondary education in French.
